COMMISSION/COMMITTEE ORALS

Member announcements; requests for future agenda items; conference/meetings reports.

3. Commissioner Holguin

- 1. A traffic safety study is being requested for Rio Del Sol Avenue due to concerns regarding vehicle speeds and intersection safety. The roadway's length encourages speeding, the intersection at Rancho Drive lacks a stop sign, and a sharp curve north of Rio Del Sol Avenue creates limited visibility for approaching traffic. Given the street's proximity to Grant Rea Park and frequent pedestrian activity, including children, consideration for a study of traffic-calming measures such as speed humps or a stop sign is respectfully requested.**

Commissioner Holguin requested a stop sign, speed bumps, and a centerline on Rio Del Sol. Stating that high speed traffic passes through the area and the people visiting Grant Rea Park are at high risk of being injured by vehicles due to the missing requested items.
